

MORNING SHOW CO-HOST / PROMOTIONS DIRECTOR

Peoria's #1 Hit Music station, 98.5 KISS-FM (WPIA), is looking for our next morning show co-host. If you wake up in beast mode, know what it takes to be entertaining, have a deep love of pop culture, love to share your life on-air, love to meet people, and love to interact on social media, this could be a great opportunity for you!

You'll also get the opportunity to oversee promotional events and contests for the company's four radio stations, directing the activities of our promotions team and working directly with programming and sales to develop and execute strategic and tactical plans in support of company objectives.

QUALIFICATIONS:

We're looking for someone with a big personality who is creative, passionate about pop culture and all things Hollywood, and isn't scared to relate through real life experiences with our audience. You should have great writing skills and be strong at marketing yourself and our station through social media. Any video skills are a big plus!
